

# Discoveryland News

*Happy April!* I am finally beginning to see signs of spring. Im very thankful for the rain we have had. We needed it, and I always have to remember that the rain and snow we get is supposed to last us through the summer and into the fall. It is hard to imagine during the very hot months how we got tired of the rain so quickly. Let us continue to be thankful for God’s wonders, rain and all.

April is going to be a busy month for us. First, we have a free vision screening on April 2. This is optional, your child does not have to participate.

WEEK OF THE YOUNG CHILD is April 9-13. This is the week when your child has the opportunity to shine extra bright, and we are

going to make this week all about how wonderful each and every one of our students are. We have fun things planned for them each day and our finale on Friday, April 13, is going to be full of EXTRA special things.

Part of Week of the Young Child will include Wheels Day on Thursday, April 12. Children may bring their bicycles or tricycles that day (be sure to bring a helmet).

Wheels Day will be combined with our annual St. Jude’s trike-a-thon. Share with your child the importance of helping those less fortunate than we are.

Parent/Teacher Conferences are schedule to start in a few weeks. Please make time to come and speak with your child’s teacher on how they are developing in school.

Our **SPRING FLING** will be held on Sunday, April 29. This is an annual event organized by Foothill School and will be held here in our Discoveryland play yard. Come and join the fun. More information will be available soon.

## FOOTHILL ADVENTIST SCHOOL IS NOW ACCEPTING

applications for K-8<sup>th</sup> grade enrollment. For information, please speak with Ms. Arlene in the front office.

**I** is for ignorance, which darkens the world and is sometimes mistaken for innocence. Let us shine the light of education and understanding to make our world a better place.

Thank you for giving us the opportunity to share what we know with your little ones, allowing them to grow and reach for the stars.

*Ms. Penny Corpus, Director*

## Dates to Remember

- April
  - 9-13 Week of the Young Child
  - 12 Wheels Day

April

*Start your Day the Smoothie Way!*

*Grab a blender. Grab the kids!*

*Blend together:*

*1 cup berries, 1 ripe or frozen sliced banana,  
½ cup yogurt, ¼ cup 100% juice.*

*(Nutritional value determined by what you use.)*

*Try: pineapple, mangoes, peach or kiwi slices, watermelon, silken tofu,  
honey, ice cubes, milk, or cinnamon.*

*Throw in a handful of lettuce, spinach or kale, too!*
