Discoveryland News

When we think of February, we think of love and Valentines. Our school will have a friendship day where we celebrate love, kindness, and all things love related. We will talk about how we show love to one another and how Jesus shows us His love each day in many different ways. Please check with your homeroom teacher and find out what your class is planning party wise. We forget there are other meaningful things happening in February as well such as Lunar New Year on February 10, National Woman’s day, and Black History Month are in February. Our Center is closed February 19 for President’s day.

Teaching a class has many layers. It is not cut and dry and for sure, not an easy job. Teachers create their lesson plans for a certain amount of children and their level of ability. This requires them to produce activities and projects for the number of children attending each day and the extra time planned for other activities that may be more difficult. The kitchen also relies on an actual number to create healthy meals for each child. So calling in to let us know if they will be late, or absent is greatly appreciated.

Dates to Remember February

- 3 Ms. Janet
- 3 Maira Ram
- 18 Jordan Choi
- 27 Ryan Singh

We have one calendar change for March. Our spring pictures are on April 2 this year.

Before I close, I would like to remind parents about calling into the front office. If you are going to be late, please call to let us know. It does not mean you are excused from the late fee. We encourage the call so we can let your child know you are coming. Many times if they are the last one left, anxiety sets in and they begin to wonder where you are. We can assure them you called and will be here. If your child is sick, will be absent, or coming into school late, a call to the front office helps us plan accordingly for that day.

Thank you for allowing us to share our love of learning and the love of Jesus with your little ones. Have a blessed February.

Sincerely,
Ms. Penny Corpus, Director
