The wind told the grass,
And the grass told the trees,
And the trees told the bushes,
and the bushes told the bees,
The bees told the robin and
the robin sang out clear,
Wake up! Wake up!
Spring is here!

Happy April. We usually think of April as a time for rebirth, new growth and a refresh that the earth is taking. We as Christians celebrate Easter and Jesus rising from the dead leaving us the great task of spreading the good news to everyone about His grace and love for all of us. We are happy to share the love of Jesus with our little ones on a daily basis. It is always a sweet reminder when children say prayer before lunch, or talk about how being unkind is not what Jesus would want us to do.

April gives us an opportunity to celebrate children honoring them in this very important stage in their lives. We forget sometimes how quickly they grow. They are only this age once. Their faces, hands and hearts will only be this size at THIS stage in their lives. Although

we celebrate them all year long, the nation is celebrating childhood during the week of April 1-5. We will provide little celebrations everyday culminating with a party on Friday for the entire school.

Picture day is also on Tuesday April 2.

Graduating classes will have cap and gown pictures taken that day. Parent Teacher conferences are available for those who would like to meet with the Homeroom Teacher. A copy of **your child's** assessment will be available for you to view. If you need to meet, please let your Teacher know so we can set up a time that will work for everyone.

School is closed April 29 for Teacher In-Service Day. Please find alternate care for your child that day.

Graduation is fast approaching and we are already getting ready. Just a reminder that children moving on to Kindergarten will be graduating and receiving an official Graduation Certificate of completion. Those leaving to attend T-K in the public

school will receive a Preschool Certificate. Thank you for giving us the opportunity to celebrate this stage of life with your children. Have a Blessed month of April.
