

Discoveryland News

Is it May already? I blinked and the end of the year is here. It feels like the first day of school was last week.

How does that happen?

I used to wonder why our year was so long and the days would drag on. However, as I got older I realized how very quickly time flies. Then you add children into the picture and it goes by in a flash! Before you know it, you are watching them don cap after cap for graduations and moving on to bigger things.

If I could go back in time, I would tell my younger self to slow down, enjoy it, and savor every experience the day has for you. I look back at this year and can hardly believe that some of our little people who we have known since room one will be leaving our school family. How we have enjoyed watching you grow into the amazing individuals that you are. You leave us with so many memories that will come up in conversation for years to come. It has been our joy to get to know you parents as well. You have supported us in more ways than you can imagine. We make it our mission to serve you, but you in turn have served us as well. And for that, I thank you. May is also Mother's day. I don't know about you, but the word Mom, always brings special feelings to my heart. I looked up the definition of MOTHER, and really wished they would change it to ONE who does all. May 12 is your day. (Every day is your day, but shhhh, we won't tell Dad). So Happy Mother's day to ALL you Moms' out there. You are loved and appreciated. This month is a BUSY month. Let's talk about what will be going on.

May 6 to 10 is Teacher appreciation week. This is your opportunity to spoil your teachers and show them how much they mean to you and your child. We have sent you a list of day-to-day things to present to them. I always enjoy this week. Their smiles make my heart happy. May 27 we are closed for Memorial Day. Have a safe and wonderful day off.

May 31 is the BIG day! Graduation is finally here. And what an amazing time this will be. I know they are little, and will have more graduations throughout their school experience, but this is the first for them and we like to make a big deal out of it because your kids are a big deal to us. Your homeroom teacher will be sending home more information about what to wear and what time you will need to be here. I am so excited and bursting with pride! We have our field trip date set for June 10. I know this is later than we usually go. It was the only date they had for us so I reserved it. More information and permission slips to go out later on this month. I think I have covered it. If I left anything out, please check the very important dates box.

Before I say goodbye, I would like to officially

welcome Ms. Nelly into room 5 as we say goodbye to Ms. Janet for a short while. We are hoping it is only for a short time and before we know it our teachers will all be back for the fall. We have an amazing team. We are truly blessed.
