

March

2019

Discoveryland News

well hello. **march** Can you believe it is already March? Three more months and your little people will be graduating onto Kindergarten, or moving up to the next room! WOW! I had to sit back and pinch myself. This year is flying by!

I was exploring the wonderful World Wide Web and found out that March is an interesting month—some pretty big things happened in history. Here are just a few things I found interesting... In 1918, the Spanish flu wiped out 100 million people. **France's iconic Eiffel Tower** opened in 1889, Yellowstone National Park opened in 1872, and in 1882 we started using paper money. I also found some interesting facts about the month of March. In the Southern hemisphere, March is the same as September in the Northern hemisphere. Each year March and June end on the same day of the week, and of course, March is best known for...

Also in March are some pretty funny made up celebrations. Who knows where they were started or by whom, but here are some... National Pig Day, True Confessions Day, Play the Recorder Day, and maybe a couple I might consider celebrating are, Goof Off Day and "Won't You Be My Neighbor" Day for Mr. Roger's birthday on March 20. We can also recognize March in different languages because they sound similar. In Danish it is Marts, French is Mars, Italian and Spanish say Marzo, and Roman/Latin is Martius. Just like the rest of the world and history, we too have fun things planned for this month of March!

We kick off Reading Awareness Month on March 1. Please take time to read to your children. Research shows children who have been read to since the womb, and after, do better in school. Not only does it provide quality time together, it allows **your child's imagination to grow.** Your child will also be learning new vocabulary as well as phonics. We are going to be rewarding reading this month with an awards chapel on March 29 at 10am.

Dr. Seuss Day March 4. This is always a fun day since Dr. Seuss is a beloved children's author. Look for announcements in your child's home room to see what special events are happening that day.

Spring picture day is March 26. We will have more information sent home to you through your home room teachers.

Have a fun month of March. Thank you for allowing us to enjoy all the fun things about your children. It is a joy for us.

Ms. Penny Corpus, Director

Dates to Remember

March

- 4 Dr. Seuss Day/Read Across America
- 26 Picture Day
- 29 Reading Awards Chapel at 10am

April

- 1 No School/Cesar Chavez Day holiday
- 8-12 Week of the Young Child
