April has arrived! Already... and then in May our not-so-little ones graduate and get promoted to the next room. How is this possible?

Oh, how they grow too fast! So let us enjoy these precious moments with them as much as we can.

April finds us very busy! So hang on because it's a whirlwind from here on out.

I hope all of you had a wonderful long weekend with Monday off for Cesar Chavez Day. I've always wondered why we did not honor Cesar Chavez before now. We should. He played an important part in the history of California's field laborers rights and was a civil rights activist for farmers in California and Florida. He also coined the famous saying, "Si, se puede" Yes, we can! So, YES WE CAN get through this month.

Here's what's happening:

April 8-12 is Week of the Young Child.

This is our chance to make it extra special for your little ones here at school. We are going to show them how important they are and to celebrate their childhood in fun ways. We will have a schedule for this week up so you can see what we have planned.

April 11 is Wheels Day. This day is our annual bike-a-thon for St. Jude Children's Hospital. We are sharing with

your children stories of kids who are less fortunate than we are and how we can help a little by raising money for them. Charity can be taught at a young age, and this is a good way to start. Everyone can participate in the bike ride. We will be passing out information packets to you soon. The ride is here on our campus and will be well supervised.

April 5-26 is Spring Parent Teacher conferences. Please try to come to this one. It will be the last one for many of you as your children will be moving on to Kindergarten. You will have an opportunity to see how much they have grown, or see what areas need help before school resumes in the fall.

April 21 is our Milpitas Adventist Center annual Spring Fling. Our sister school, Foothill, and we will be having a fun day for our kids and families. Please come! We will have fun activities for your children, great food, and time to mingle with one another. If you would like to help, please let the office know. Thank you.

Thank you for becoming part of our school family. We take great pride and joy in working with your little ones. Have a wonderful month.
