**Summer** is finally here!

Graduation was wonderful! Every year the teachers work very hard on preparing the kids and organizing the program. It's a lot of extra work on top of the regular responsibilities they already have. So let's give them a big hand! And, of course, the kids! How cute were they? Their energy and individuality will be missed in our school. We know we are letting go of some very special kids who are going to make a difference in the world. I'm excited to see where their paths lead them.

Our summer program will be in full swing starting June 10. As you know, we put our major academics on hold for the summer and focus on fun activities to give the children a break from homework and assessments. Don't forget, we are really still learning through all the play we do. So it's a win-win for all of us. Our weekly schedule will be posted soon so keep an eye out for it. This will help you plan on what to wear, and what to bring for share day, etc. Your home room teachers will also be sharing with you things about the summer fun weeks. Please remember to read notices on doors and information boards. Thank you.

I am sad to announce that Ms. Jenel Lepulu from room 3 will be leaving us. She is focusing on her family and will be here on a substitute basis only. We have enjoyed her dedication and hard work and wish her the best in her future endeavors.

Other staff news is that Ms. Sharmila is also on hiatus for health reasons. We hope she continues on with us as a substitute when her health improves.

We have some new and returning faces as well. Ms. Jasmin has returned as our summer teacher's aid. We are already familiar with her sweet smile and loving ways with the children. Ms. Rianna is new to our program and is helping us with the closing hours. You will see her when you pick up your child from school. Ms. Susanna is also a new substitute. She has been at our center for many years because her children attend Foothill Adventist Elementary. She has already been in our classrooms subbing so you probably have already met her.

OK! I think that covers June. I am excited for summer fun camps! Don't forget we have our annual Father's Day brunch on June 14. Dad's, come and enjoy a vegetarian brunch here at school between 8:30-10:00. We look forward to seeing you here! For those of you who may need it, don't forget we also have a summer program at our sister school, Foothill for elementary

age children. Ask the office for more details.

Have a wonderful June!

Sincerely,

*Penny Corpus, Director*
