

Discoveryland News

I hope the beginning of the school year was as fun for you as it was for me. August 19th found us ready with open arms for all of our returning students and those who are new to our school.

Welcome!

Our classrooms are looking great with all the kids' art work and the teachers are still getting to know all the wonderful things about your little ones.

I am looking forward to a wonderful year. Thank you to all of you who were able to make it out to our watermelon social. We had a lot of parents who showed up. It was nice to see new and old faces and get together to talk about how things are going with their children. I hope more of you will be able to join us for events that are happening throughout the school year.

September finds us falling into a routine and is keeping us busy. Remember, we are closed for Labor Day. Enjoy time with your family and be safe.

On the 6th, our school will be honoring Grandparents. We would like you to join us at school at 9:30-10:45AM. You will be able to spend time with your grandchildren in their

classroom doing activities and enjoying doing what they do during their school hours. We feel that our roots go deep when it comes to family and Grandparents are just that. Roots of our family tree. We hope to see you there.

Please keep the evening of the 26th open on your calendars. We will be holding a new family orientation night. Everyone is welcome to join us for a meeting about our philosophy, policies and procedures. You will also get an opportunity to join your homeroom teacher in your child's classroom to go over specifics that pertain to your age group, as well as expectations for the year. I hope to see you here. If you are not able to make it, please know that any questions you may have can be directed to me via email or phone call. I am here for you and your

family. Next month, we start off with Picture Day on the 4th. Since it is right at the beginning of the month, I thought I would prepare you for it now. We will be sending home more information at the end of the month. Thank you for giving us your children to care for and teach. It is truly our honor and privilege.
