

# Discoveryland News

It's time to fall in love with the season! Oh how I love the change in the weather, changing leaves and even a change in attitude. There is something invigorating about a cool fall morning. I for one am happy the clean air is back! I had forgotten what blue skies looked like. Fall also signifies the start of getting ready for the months ahead when we have celebrations and family get-together. Our small group of students are busy working on projects and learning new concepts. We are seeing new ones getting adjusted. New friendships are being made, and old friendships rekindled. I love the innocence of children and it inspires me to take a step back and relish the little things and look at life in a less complicated way. Thank you for sharing your little ones with us. They are an extension to our own families, and we hope you feel the same.

This month is still an adjustment period for some and for the classes as a whole since we continue to get new students weekly. Thank you to the parents who continue to support our school by referring us to friends and family. We are rejoicing with every new student that joins our school. It gives me hope that one day we will be at full capacity again.

Friday, October 2, is our picture day. I always enjoy seeing the children dressed up. They are so cute! Since we have fewer students this year, the photographer will be here a little later, but we will begin at 9. Please be here by then so we can make sure

everyone and their siblings are included. We will be doing a school photo this year as opposed to classes since we only have two rooms open.

October 11, there will be a pupusa fund raiser. Please keep your eyes open for an email from our school.

October 12, we are off for Teacher in-service day. Please find alternate care for your child this day.

October 21, will be pumpkin day at our center. We will not be traveling offsite this year, but will be bringing the pumpkins to our kids here at school! I am looking forward to this day so much!

October 30, is our dress up day. Have fun with this. Please, no scary costumes or weapons. Thank you!

Last but not least. On top of everything else that is going on, it is going to be flu season. There will be coughs and colds, runny noses and fevers. Please remember first and foremost our new policies regarding home health checks and school health checks. We continue to remain steadfast in following the requirements set by the CDC and County regarding health and safety during Covid. We also encourage you and your children to eat healthfully, get plenty of sleep, and wash hands. I know we can't keep all germs away, but doing your part while we do ours does help. We also ask you to respect our sick policy now more than ever. It helps us all stay healthier. Thank you.

Have a wonderful October. Enjoy the changes mother earth brings to us and maybe you will find something that needs changing within yourself. I am blessed to have each of you in my life.

Ms. Penny, Director

## Dates to Remember

- 10/2 Picture Day
- 10/11 Pupusa Fund Raiser
- 10/12 Teacher in-service day
