

Discoveryland News

schedule for this week up so you can see what we have planned.

April has arrived!

Already....and then May our not so little ones graduate and get promoted to the next room. How is this possible? Oh how they grow too fast! So let us enjoy these precious moments with them as much as we can. April finds us very busy! So **hang on because it's a** whirlwind from here on out.

I hope all of you had a wonderful long weekend with Friday off for Cesar Chavez Day. **I've always wondered why** we did not honor Cesar Chavez before now. We should. He played an important part in the **history of California's field laborers rights and civil rights activist for farmers in California and Florida.** He also coined the famous saying **"Si, se puede"** Yes we can!

So YES WE CAN get through this month. **Here's what's** happening. April 10-16 is week of the young child. This is our chance to make it extra special for your little ones here at school. We are going to show them how important they are and celebrate their childhood in fun ways. We will have a

April 11-22 is Spring Parent Teacher Conferences. Please look for the report in your **child's file.** It will be the last one for many of you as your children will be moving on to Kindergarten. You will have an opportunity to see how much they have grown and be proud of them. If you would like to meet with your Teacher, please email them and let them know. If the Teacher feels like they need to address an issue with you, they will contact you to meet in person.

April 29 is our Teacher in-service day. Please find alternate care for your child for this date.

May is going to be busy with Graduation just around the corner! Pray we can all keep up! Thank you for becoming a part of our school family. We take great pride and joy in working with your little ones.

Have a wonderful month.
