## Welcome to Preschool!

Is summer really over already? It has sure flown by quickly with all the fun camps we had. Each week we looked forward to something different for fun day. And boy was it exciting! Thank you teachers for creating such wonderful experiences for our students. If parents would like to see our fun days, they are posted on our FB page.

As we move into August, there are a few things to remember. We are closed the week of August 15-19 in preparation for the new school year and staff meetings. This would be a great time to take a short vacation or do things locally with your little ones.

Our first official day of school is August 22. Please prepare your child for the new changes that will occur. They will have some new friends and new teachers. Growing up means new teachers and changes in the classroom. They will be just fine with our dedicated and experienced

teachers who will hold their hands, wipe their tears and make them feel loved and safe. If you have any questions or concerns, please do not hesitate to talk to me and I can share some helpful tips with you to make the transition smoother.

Last but not least, Good luck to all our big kid kindergarteners! You will have so much fun learning new things and meeting new friends. We will miss you very much, and are blessed you were a part of our school family. Come back to visit us anytime. We will be here with hugs and smiles for you.

God bless you and watch over you always!

Thank you families for **making us your child's** first step in their educational journey. We look forward to making memories with all of you.

*Sincerely,*  
**Ms. Penny Corpus, Director**
