

Discoveryland News

Happy 2023 to you and yours. I hope your holidays were wonderful and bright. Can I just say though how much I missed school and all the kids? I miss the hugs and stories the most. I am sure many will share what gifts they received for Christmas. I come for the happy faces of the teachers and kids and think to myself, what a wonderful place we have here. We are so blessed to have children who love school. Wait till they get a bit older when going to school can be a challenge. We have very little to worry about at this age and learning to enjoy school and working with friends is why we are here. So welcome back to our current students. We are happy you are with us. We are looking forward to a great half of the school year!

This Month we have many new faces starting in our center and many of us are moving to new rooms. Oh how they grow up so quickly. The transition to a new room should not be too overwhelming because they already have some friends there and are familiar with the teachers. But still take a moment to remind them they

are getting bigger and are going to be learning more things in their new room. If you have any questions, please do not hesitate to ask me or the homeroom teacher.

We have a school closure on January 16 for Martin Luther King Jr. Day. Please remember to find alternate care for your child that day if your companies do not take that day off. I would also like to remind you that Discoveryland does not allow make up days for holidays.

We will also be having a center wide open house on January 29 from 10 to 2. Our preschool will be opening its doors to the public to come and see what our center has to offer. Foothill Kindergarten will also be open for perspective students. If you are interested in a wonderful private school that has a low teacher to student ratio, take a moment to visit Foothill. They will also be offering discounted registration that day if you register for elementary school. Please bring your friends and family to see our wonderful preschool. Don't forget we also offer a referral credit to you for every child you help bring to our center. (Details in the office) I hope to see you here.

Once again, thank you for giving us the opportunity to be the place your little ones come for guidance, learning, love and care. Have a wonderful January.

Sincerely, Penny Corpus, Director

Dates to Remember

- 9 School Resumes
- 16 No School / Martin Luther King Jr. Day
- 29 Annual Open House

- 12 Luciana Beltran
- 21 Yuvan Vivekanand
- 24 Logan Truong
- 24 Ms. Martha
